The Institute for Media Innovation (IMI) at Nanyang Technological University (NTU) is looking for a creative Fashion Designer.

Requirements:

- Good design capability.
- Strong pattern making skills.
- Awareness of Gerber and other fashion based software and capable of learning new software.
- Understanding of new technology and latest fashion trends.
- Ability to work in a team with good presentation skills.
- Computer skilled

Qualifications:

- Bachelor or Master of an Art School or Fashion School is required
- Preferably 2-4 years of working experience

If you are interested to apply, please submit the following to imi-recruitment@ntu.edu.sg on or before 31 October 2011 with a CV and photo and Portfolio.

Selected candidate will have a chance to work with the IMI interdisciplinary team in one of Singapore’s top universities, Nanyang Technological University (NTU). As part of the team, you will help drive innovative fashion research work and be involved in fashion challenging projects. For more information about IMI, kindly visit our website http://imi.ntu.edu.sg.
